

**NURMIJÄRVEN
RAKENNUSPELTI OY**

FASTENERS FOR INTERIOR STRUCTURES AND FOR THE NEEDS OF VARIOUS INDUSTRIAL SECTORS

Nurmijärven Rakennuspelti Oy manufactures fasteners for interior structures and for the needs of various industrial sectors.

Nurmijärven Rakennuspelti Oy was founded in 1997. Originally, our company's main business was roofing and construction sheet metal work.

In 2011, we acquired Peltineloset Oy, which continued our operations with fasteners. In 2014, we expanded our business by acquiring Kiilapultti Oy. We sold Peltineloset Oy in 2018.

Nurmijärven Rakennuspelti mainly operates as a supplier to wholesalers. Peltineloset Oy operates as a reseller of our products.

Components are suitable (for example) for PN or GK frame system fastenings

SAH-15

Hanger wire bracket
with swivel wire
tensioner
